Analysis by the Legislative Reference Bureau
HEALTH AND HUMAN SERVICES

PUBLIC ASSISTANCE

Under current law, DWD is required to allocate specific amounts of moneys in each fiscal year, including federal moneys received under the federal temporary assistance for needy families (TANF) block grant program, for various public assistance programs. This bill increases and decreases the amounts of moneys that DWD is required to allocate in each fiscal year for the various public assistance programs. The bill also eliminates the allocation for some of the programs, including start-up funding for Wisconsin works (W-2) contracts, the passports for youth program, the community marriage policy project, and payments to the Wisconsin Trust Account Foundation for the provision of legal services to certain low-income individuals.

Under this bill, if the amounts of TANF moneys that are received from the federal government are less than the amounts of TANF moneys appropriated to DWD, DWD is required to submit a plan to the secretary of administration for reducing the amounts of moneys allocated for the various public assistance programs. If the secretary of administration approves the plan, DWD may reduce the amounts allocated as proposed in the plan.

The bill also requires DWD to submit a report annually to the secretary of administration on DWD's expenditures for the various public assistance programs

for which DWD must allocate moneys. Finally, the bill changes the TANF appropriations from annual appropriations to continuing appropriations.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

Sorry to have dropped that bomb on you. The good news is that we've found a solution which will have only a minor statutory impact. We will need to amend the Early Childhood Excellence allocation (s. 49.175 (1) (r)) so that there is \$7.5 mn allocated in each fiscal year. I would say the likeliness of needing to make this change is 99%.

Let me know if you have any questions.

FOR 2001-03 BUDGET — NOT READY FOR INTRODUCTION

NOTE

1 AN ACT <sup>DON'T
GEN. CAT.</sup> relating to: the budget.

Analysis by the Legislative Reference Bureau

HEALTH AND HUMAN SERVICES

PUBLIC ASSISTANCE

Under current law, DWD is required to allocate specific amounts of moneys in each fiscal year, including federal moneys received under the federal temporary assistance for needy families (TANF) block grant program, for various public assistance programs. This bill increases and decreases the amounts of moneys that DWD is required to allocate in each fiscal year for the various public assistance programs. The bill also eliminates the allocation for some of the programs, including start-up funding for Wisconsin works (W-2) contracts, the passports for youth program, the community marriage policy project, and payments to the Wisconsin Trust Account Foundation for the provision of legal services to certain low-income individuals.

Under this bill, if the amounts of TANF moneys that are received from the federal government are less than the amounts of TANF moneys appropriated to DWD, DWD is required to submit a plan to the secretary of administration for reducing the amounts of moneys allocated for the various public assistance programs. If the secretary of administration approves the plan, DWD may reduce the amounts allocated as proposed in the plan.

The bill also requires DWD to submit a report annually to the secretary of administration on DWD's expenditures for the various public assistance programs

for which DWD must allocate moneys. Finally, the bill changes the TANF appropriations from annual appropriations to continuing appropriations.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

DOA:.....Blaine – TANF appropriations and allocation requirements

FOR 2001-03 BUDGET — NOT READY FOR INTRODUCTION

1 **AN ACT ...; relating to:** the budget.

Analysis by the Legislative Reference Bureau

HEALTH AND HUMAN SERVICES

PUBLIC ASSISTANCE

Under current law, DWD is required to allocate specific amounts of moneys in each fiscal year, including federal moneys received under the federal temporary assistance for needy families (TANF) block grant program, for various public assistance programs. This bill increases and decreases the amounts of moneys that DWD is required to allocate in each fiscal year for the various public assistance programs. The bill also eliminates the allocation for some of the programs, including start-up funding for Wisconsin works (W-2) contracts, the passports for youth program, the community marriage policy project, and payments to the Wisconsin Trust Account Foundation for the provision of legal services to certain low-income individuals.

Under this bill, if the amounts of TANF moneys that are received from the federal government are less than the amounts of TANF moneys appropriated to DWD, DWD is required to submit a plan to the secretary of administration for reducing the amounts of moneys allocated for the various public assistance programs. If the secretary of administration approves the plan, DWD may reduce the amounts allocated as proposed in the plan.

The bill also requires DWD to submit a report annually to the secretary of administration on DWD's expenditures for the various public assistance programs

for which DWD must allocate moneys. Finally, the bill changes the TANF appropriations from annual appropriations to continuing appropriations.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
